55th International Transparent Watercolor Exhibition Juror Michael Reardon, Critique and Demonstration

Saturday, June 17, 10am - 1pm
Coastline Art Gallery
1515 Monrovia Ave.
Newport Beach, CA 92663

We are pleased to have our juror Michael Reardon provide his insight on the wonderful paintings that were chosen for this year's exhibition. (You'll get a slideshow preview!) It's always interesting to hear about how the juror approaches this important task, and learn some of the ins and outs of the selection process.

We will begin the morning with the review of his selections. After a short break Michael will demonstrate his watercolor techniques to create an old light house under the Golden Gate Bridge. Snacks and beverages will be provided.

Please register on our website at www.watercolorwest.org under the Workshop and Demos menu tab, "Reardon Seminar/Demo". The cost is \$35.00. Seating is limited to 40
